You know what I remembered? Back back back months ago. When Dave and I were still in the neptune phase of things. When I met Fish.... naked because Jerry left the door open.....

The next time I came over and actually met Fish. And there was something about them. Some sort of "oh, I like you." vibe (platonic). And I could tell they felt that way --or were attracted, hard to differentiate really, but I could tell we saw each other. Like I just knew that Fish would be important to me in some way.

and sitting on the couch I remember feeling like... Dave was a touch threatened? Jealous?

I just remember we were talking about -something- and I was listening or explaining, I just remember I was looking at them and my eyes were kinda glowing and I was nodding empathetically. And Fish was receptive to it, like there were these platonic sparks or something.

Somewhere out in the back of your mind
Comes your real life and the life that you know
It seems like it was the creation of some of those same old things
It seemed to be the only thing left out in the light
She had trusted many
But been unfamiliar with
Almost everyone but you
Well maybe I'm just thinking that the rooms are all on fire
Everytime that you walk in the room
Well there is magic all around you, if I do say so myself
I have known this much longer than I've known you
She had trusted many
And then there would be someone who would enter into her presence
That she could sense for miles
She dreamed of her wanton luxury
And she laughed and she cried and she tried to taunt him
And he hated to be separated
From that picture No
Well maybe I'm just thinking that the rooms are all on fire
Everytime that you walk in the room
Ooh, well there is magic all around you, if I do say so myself
Well I have known this much longer than I've known you
Long nets of white cloud my memory
Long nets of white cloud my memory
Ooh there is magic all around you
Everytime you walk in the room
Well maybe I'm just thinking that the rooms are all on fire
Everytime that you walk in the room
Well there is magic all around you, if I do say so myself
Well I have known this much longer than I've known you

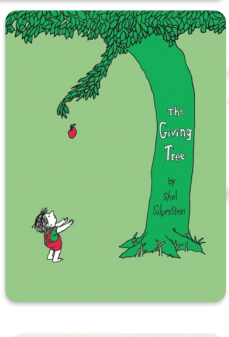
im gonna think of a book that means something to me

<03>
Inside your heart
There's something that shines
Reporters come outside your door
Could it be that you have something
That everybody clamors for?

GETTING TO KNOW YOU BETTER AT PARTIES AND FEELING LIKE SOMETHING REALLY SET YOU APART, LIKE I COULD TELL YOU HAD A GOOD HEART. you really listened.

Inside your heart
Inside your heart
You've got something I want
Inside your heart
Inside your heart
Love gets a surprise

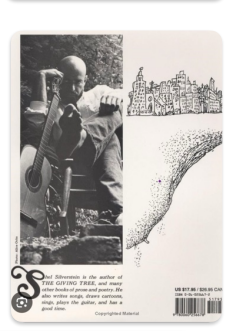


The Giving Tree by Shel Silverstein

On your body
Something makes it glow
And men come up to you in awe
Could it be that you have something
That all the Don Juans adore?

WE STARTED TEXTING. + I WAS REALLY NERVOUS B/C I DIDN'T REALLY MAKE NEW FRIENDS + TEXT THEM, BUT YOU WERE SO FUN TO TALK TO.

Inside your heart
Inside your heart
You've got something I want
Inside your heart
Inside your heart
Love gets a surprise



Inside your heart
There's a reflection that shines
Reporters come outside your car
Could it be that you have something I want
I've got a hatchet stuck inside your heart

Inside your heart
Inside your heart
You've got something I want
Inside your heart
Inside your heart
Love gets a surprise

I like it here. It feels novel but comfortable.

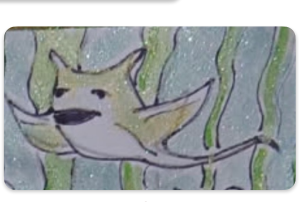
Im drinking tea
Its good enough for me, then its good enough for you
We can have tea for two
How do you do?

MEETING 4 TEA.



But if you have to leave
Then please leave, dont let me keep you
We can have tea another day
Please come back and see me sometime

But if you can't sleep
And you have bad dreams
And if your bored and not feeling quite right
And it isnt going away
Ain't it kinda funny?
We can have tea tonight
</04>

ALSO I WASN'T SLEEPING. I LIKED WHEN YOU ADMITTED TO ALSO FEELING PATRIOTIC SOMETIMES WHEN YOU WERE YOUNGER

<05>

Uh, alright
I can't focus on what needs to get done
I'm on notice hoping that you don't run, ah
You think I'm tepid but I'm misdiagnosed
'Cause I'm a stalker I seen all of your posts, ah-ah
And I'm just tryna play it cool now
But that's not what I wanna do now
And I'm not tryna be with you now, you now
Mhm
You make it difficult to not overthink
And when I'm with you I turn all shades of pink, ah
I wanna touch you but don't wanna be weird
It's such a rush, I'm thinking wish you were here, ah-ahh
And I'm just tryna play it cool now
But that's not what I wanna do now
And I'm not tryna be with you now, you now
But I could be your crush, like, throw you for a rush, like
Hoping you'd text me so I could tell you
I been thinking 'bout your touch like
Touch, touch, touch, touch, touch
I could be your crush, crush, crush, crush, crush
I got a fascination with your presentation
Making me feel like you're on my island
You're my permanent vacation
Touch, touch, touch, touch, touch
I could be your crush, crush, crush, crush, crush
Sorry
I fill my calendar with stuff I can do
Maybe if I'm busy it could keep me from you
And I'm pretending you ain't been on my mind
But I took an interest in the things that you like, ah-ahh
And I'm just tryna play it cool now
But that's not what I wanna do now
And I'm not tryna be with you now, you now
But I could be your crush, like, throw you for a rush, like
Hoping you'd text me so I could tell you
I been thinking 'bout your touch like
Touch, touch, touch, touch, touch
I could be your crush, crush, crush, crush, crush
I got a fascination with your presentation
Making me feel like you're on my island
You're my permanent vacation
Touch, touch, touch, touch, touch
I could be your crush, crush, crush, crush, crush
And yeah it's true that I'm a little bit intense, right
But can you blame me when you keep me on the fence, like
And I've been waiting, hoping that you'd wanna text, like
Text like
It's what I was born to do
And yeah it's true that I'm a little bit intense, right
But can you blame me when you keep me on the fence, like
And I've been waiting, hoping that you'd wanna text, like
Text like
Ugh
And I'm just tryna play it cool now
But that's not what I wanna do now
And I'm not tryna be with you now, you now
But I could be your crush, like, throw you for a rush, like
Hoping you'd text me so I could tell you
I been thinking 'bout your touch like
Touch, touch, touch, touch, touch
I could be your crush, crush, crush, crush, crush
I got a fascination with your presentation
Making me feel like you're on my island
You're my permanent vacation
Touch, touch, touch, touch, touch
I could be your crush, crush, crush, crush, crush
Sorry

It's just so... delightful? This experience of being. I don't have to think when I text; there's no strategy. No over thinking.

I'm listening to the playlist now. And it feels like such a gift.

Its like that essential part of me, the part that was born in 8th grade is fed.

Put on your boots
And walk with me
Over the freeway
And down to the sea
That's where we can always go
When we really wanna know

We sit by the window
And we watch the rain
Each little drop has got a name
They're falling down
They're hitting the ground
They're washing all the people away

Go on the roof and we'll see the sky
Let the world pass us by
We can make it all turn grey
If we really want it that way

Paint me a picture of the way you feel
Close your eyes and make it real
Sing me a song of the place you see
We can go there, just you and me

You don't have to smile if you don't want to
I don't have to smile if i don't want to
We don't have to smile if we don't want to

THIS IS THAT TIME WE WENT ON RAINBOW BRIDGE + I PUT MY HAND ON YOUR SHOULDER B/C I'M REALLY SCARED OF HEIGHTS. THEN WE VISITED THE FISH, GOT TEA, SAT ON THAT BEACH BY THE WATER TALKED ABOUT THE OUR HALLOWEEN COSTUMES ON THE BUS RIDE HOME. OH AND I GOT THE 1812 OVERTURE RECORD.

>>Platonic Sparks

There's a tiktok meme where someone catches the way they are smiling after reading a text message, and then they scream swear out they know they're cooked.

It kinda feels like that.

With Fish.

I sent them a tiktok. They tease me for being awake at 3 am.

We have silly conversation, do the thing we do.

But I'm doing the soft laugh smile thing.

But they have a serious partner.

Soooo, is me having a crush ok? IS THIS OKAY? DO I HAVE A CRUSH ON THEM?

<07>
I see the signs of a lifetime, you till I die
And I'm swiftly out, Irish goodbye

What if it's not meant for me?
Love
What if it's not meant for me?
Love

I'd like to get to know you
I'd like to take you out
We'd go to The Hail Mary
And afterwards make out
Instead, I'm typing you a message
That I know I'll never send
Rewriting old excuses
Delete the kisses at the end
When I see you, the whole world reduces
To just that room
And then I remember and I'm shy
That gossip's eye will look too soon
And then I'm trapped, overthinking
And yeah, probably self-doubt
You tell me to get over it
And to take you out
But I can't, I'm too scared
And here's the night bus, I have to go
And the doors are closing, and you were waving
And I like you, and I'll never let it show
And you won't wait, and maybe I won't mind
I work better on my own
And now I'm home, a little bit drunk
And I ask myself

SO I HAVE A CRUSH ON YOU AND I DON'T KNOW WHAT TO DO WITH THAT INFORMATION.

What if it's not meant for me?
Love
What if it's not meant for me?
Love

A few days pass since I last saw you
And you've taken over my mind
I'm retelling jokes you made that made me laugh
Pretending that they're mine
I wanna tell the whole world about you
I think that that's a sign
I'm losing self-control and it's you
It really is, one thousand times
I look at your picture and I smile
How awful's that? I'm like a teenage girl
I might as well write all over my notebook
That you "rock my world"
But you do, you really do
You've turned me upside down
And that's okay, I'll let it happen
'Cause I like having you around
I'm electric, a romantic cliché
Yeah, they really are all true
When we catch eyes at that stupid party
I know exactly what to do
I'll take your hand, and we will leave
French exits from me and you
And now I'm home, a little bit drunk
Some things don't change
And I know now
Me and you were meant to be
In love
Me and you were meant to be
In love
Me and you

HEY, WE ALMOST DID DO THAT. BUT LATER.

I see the signs of a lifetime, you till I die
</07>

One if by land, two by sea
Either would satisfy me
If all night the dark should abide
Then I'll still ride

"RAVE"

Days lived, all ways in the shade
Lights dimmed to dull disarray
Disguising all fear and all doubt
We step out

Now I know we're on our way
And I am certain to make
Memories I'll barely retain
We're on our way to the rave

Blankness held in sharp relief
To every tedious thing
That crowds in the spaces of our
Idle hours

If we should fall from God's grace
Would it effect our day to day?
Or chase the black dog from our path?
'Cause I'd like that

misery.
pupsies
Now I know we are on our way
And I am certain to make
Memories I'll barely retain
We're on our way to the rave

We're on our way to the (Rave)

TWO WHOLE SONGS DEDICATED TO THAT NIGHT. PART I: WASTED + MAKING OUT IN THE CLOSET. PART II: LESS DRUNK IN THE MORNING

<10>Come over here
All you've got is this moment
Twenty-first century's yesterday
You can care all you want
Everybody does, yeah, that's okay
So slide over here and give me a moment
Your moves are so raw, I've got to let you know
I've got to let you know
You're one of my kind
I need you tonight
'Cause I'm not sleepin'
There's somethin' about you, girl
That makes me sweat
How do you feel? I'm lonely
What do you think? Can't think at all
What you gonna do? Gonna live my life
So slide over here and give me a moment
Your moves are so raw, I've got to let you know
I've got to let you know
You're one of my kind
I need you tonight
'Cause I'm not sleepin'
There's somethin' about you, girl
That makes me sweat
So how do you feel? I'm lonely
What do you think? Can't think at all
What you gonna do? Gonna live my life
How do you feel? I'm lonely
What do you think? Can't think at all
What you gonna do? Gonna live my life
So slide over here and give me a moment
Your moves are so raw, I've got to let you know
I've got to let you know
So slide over here and give me a moment
I've got to let you know, I've got to let you know
You're one of my kind</10>

WE ALMOST DITCH THE PARTY BUT WE DON'T

Kissy kissy kissy, I'm dancing with the fish
Because I'm dancing, I'm dancing with the fish
Kissy kissy kissy, I'm dancing with the fish
Kissy kissy kissy, I'm dancing with the fish
I gotta a-a-a I gotta angle up a kiss
It's because I can fe-e-e-e-el
Feel for the touch of slim lips
Because I'm dancing, I'm dancing with the fish
Touch! Feel the touch of slim lips!
I gotta a-a-a I gotta angle up a kiss
Because I fe-e-e-e-l
Feel for the touch of slim lips
Because I'm dancing, I'm dancing with the fish!
Lets go!

<12>I get up in the evenin'
And I ain't got nothin' to say
I come home in the mornin'
I go to bed feelin' the same way
I ain't nothin' but tired
Man, I'm just tired and bored with myself
Hey there, baby, I could use just a little help
You can't start a fire
You can't start a fire without a spark
This gun's for hire
Even if we're just dancin' in the dark
Messages keeps gettin' clearer
Radio's on and I'm movin' 'round my place
I check my look in the mirror
Wanna change my clothes, my hair, my face
Man, I ain't gettin' nowhere
I'm just livin' in a dump like this
There's somethin' happenin' somewhere
Baby, I just know that there is
You can't start a fire
You can't start a fire without a spark
This gun's for hire
Even if we're just dancin' in the dark
You sit around gettin' older
There's a joke here somewhere and it's on me
I'll shake this world off my shoulders
Come on, baby, the laugh's on me
Stay on the streets of this town
And they'll be carvin' you up alright
They say you gotta stay hungry
Hey baby, I'm just about starvin' tonight
I'm dyin' for some action
I'm sick of sittin' 'round here tryin' to write this book
I need a love reaction
Come on now, baby, gimme just one look
You can't start a fire
Sittin' 'round cryin' over a broken heart
This gun's for hire
Even if we're just dancin' in the dark
You can't start a fire
Worryin' about your little world fallin' apart
This gun's for hire
Even if we're just dancin' in the dark
Even if we're just dancin' in the dark
Even if we're just dancin' in the dark
Even if we're just dancin' in the dark
Hey baby</12>

SOUP 4 NIKA
Carrot Ginger Etc.

<13>Night falls in the garden
Say goodbye to the kingdom
In any case the expanse is within
Get over here
Half sunk at the swimming spot
Your tender hands the mosses soft
I promise not attached to any of it
Ambiguous love

NIKA ALWAYS SO SCARED!

Lucky you lucky me
I try a little piece of everything
I get so hungry in the state I'm in
I burn without and I burn within
Beyond that gate is the spectacle
It's happening the all night show
But baby you were always kind of ready
So well I know you

Lucky you lucky me
I try a little piece of everything
I get so hungry in the state I'm in
I burn without and I burn within
You could paint anything
And keep it with you
The irises closing
Unseeing

Lucky you lucky me
I try a little piece of everything
I get so hungry in the state I'm in
I burn without and I burn within

Lucky you lucky me
I try a little piece of everything
I get so hungry in the state I'm in
I burn without and I burn within</13>

I LIKED FINDING OUT WE WERE THE SAME KIND OF FREAKY

WHEN YOU WERE OVER, ALL THE TIME + I LOVED IT

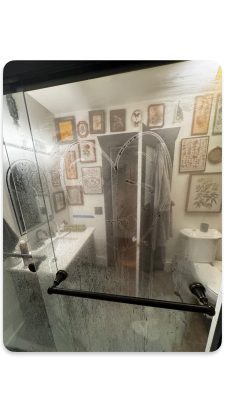
I REALLY LIKED OUR SEX

<15>
If you're a pitcher of water, I'm the kitchen floor
A few slippery fingers and I'm all yours
If you're a pool, I'm a reckless kid running on the tile
Confident that I won't fall in, then slipping every time

Wet grass, don't sit
Wet dog, don't sniff
Wet floor, don't slip
Wet paint, don't stick
Whatever you are
I'm covered in it
Doing my best to stay dry
But everything's wet

Wet, wet, wet
Wet, wet, wet

They say there's not been a storm this bad since '85
I opened up my front door and you rushed inside
Tried everything that I've ever heard to keep the flooding out
Sandbags didn't work, I ruined every towel in my house



Wet grass, don't sit
Wet dog, don't sniff
Wet floor, don't slip
Wet paint, don't stick
Whatever you are
I'm covered in it
Doing my best to stay dry
But everything's wet

Wet, wet, wet
Wet, wet, wet
Wet, wet, wet
Doing my best to stay dry
But everything's—

Dip my toes in, watch you go in
Want all of it, yeah, I want in
Take off my T-shirt and leave it with yours
I'm coming back in the morning
Whatever you are, I'm covered in it
Doing my best to stay dry

Everything's wet
Wet</15>

---

you were the better plan

<16>Cancelled a hot hipster threesome for you
'Cause I preach a freedom, but you're a fucking great excuse
Plus I'd rather get naked and swim in your blow-up pool
And dry our dolphin bodies off and question your tattoos
'Cause he's so pretty when he goes down on me
Gold-skinned eager baby, blue shirt out the laundry
He tells me he's gentle when he wants to be
So I think he wants to be gentle with me
Such a short drive to get to the touch tank to you
Deep-sea pearl my soft manta ray (manta ray)
Tender two fingers that touch the display
I used to dive deep 'til I got splashed in the face
He's so pretty when he goes down on me
Gold-skinned eager baby, blue shirt out the laundry
He tells me he's gentle when he wants to be
So I think he wants to be gentle with me
You took my breath away
So now I can't suck in my stomach around you anymore
We're too old to live with our parents
Do you wanna wake up to me every morning?
Every morning
Every morning
I'm swimming into you
Into the ocean in a parachute
I'm swimming into you
Into the ocean
He's so pretty when he goes down on me
Gold-skinned eager baby, blue shirt out the laundry
He tells me he's gentle when he wants to be
So I think he wants to be gentle with me

When you get the rhythm and words all make you cold
When they break it down and this world is all you know
Hands up, you're working it 'round
Now get yourself together
When you call, the dominoes fall, it's time to go

Now I'm feeling so far away
I see the colors and all the kids going home
Night is crawling up to the day
I hear the noise ringing
The sirens all singing

Just wanna stay up all night with you
Just wanna stay up all night with you
There's nothing that I wouldn't rather do
Just wanna stay up all night with you

CUZ WE NEVER FUCKING SLEEP

I'll keep on moving
Don't wait for nothing now
I'll keep on moving
Don't wait for nothing now
I'll keep on moving
Don't wait, don't wait for nothing now
I'll keep on moving
Don't wait for nothing now, nothing now

One, two, what you doing?
I been jumping through some hoops
Wanna get my body loose
Wanna tell you, tell you what to do
I been running out of bounds like an animal struggling
Looking for a diamond
I'm trying, I'm fighting
Right into the rhythm now

I just wanna stay up all night
Wanna stay up all night with you
With you, you
You

Just wanna stay up all night with you (wanna stay up all night)
Just wanna stay up all night with you
There's nothing that I wouldn't rather do (than stay up all night)
Just wanna stay up all night with you

Put it up in the air
If you don't really care
Let them know that you're there
If you got the time to take it up there
Hands up in the air
Living out on a prayer
Let them know that you're there
If you got the time to take it up there
Up all night with you
With you, with you
Up all night with you
With you, with you

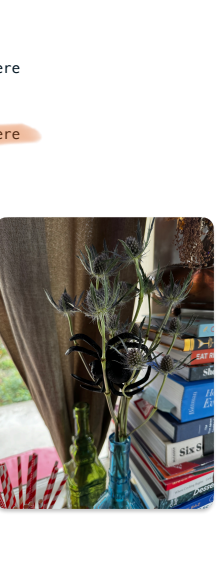
Fiscal grip
Existential disappointment
Love subsidies
No net worth if you're not winning
Heaven is split
We are the space between
The inward breath
But we can cling to the earth
Yeah, just for this moment
Heavenly this
Liminal bliss
Heavenly this
Liminal bliss



Open your eyes
See the shimmering dust
A prism of light
A mirage so divine
Delivering hope to my softening sky
I cling to what's mine
New moments arrive
Heavenly this
Liminal bliss
Heavenly this
Liminal bliss
Heavenly this
Liminal bliss
Heavenly this
Liminal bliss
Heavenly this
Liminal bliss
Heavenly this

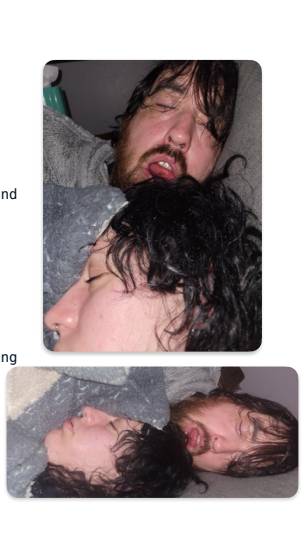
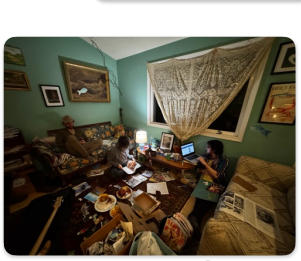
I know that we just met
But you love me anyways
Go crazy when you see me
You hate when I go
Your eyes follow me around
Go crazy when you see me
You hate when I go
I'm resisting what's natural
You're a good boy
You're a good boy
Something you're not telling me
I can see behind your face
I didn't know that we were
Keeping secrets these days
Go crazy when you see me
You hate when I go
I'm resisting what's natural
You're a good boy
You're a good boy</19>

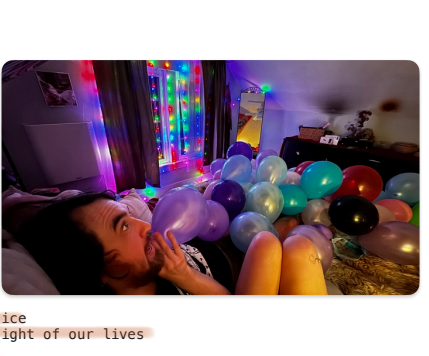
<20>On the Ferris wheel
Looking out on Coney Island
Under more stars than
There are prostitutes in Thailand
Our hair in the air
Our lips blue from cotton candy
When we kiss, it feels
Like a flying saucer landing
And I can't sleep
'Cause you got strange powers
You're in my dreams
Strange powers
In Las Vegas where
The electric bills are staggering
The decor hog wild
And the entertainment saccharin
What a golden age
What a time of right and reason
The consumer's king
And unhappiness is treason
And I can't sleep
'Cause you got strange powers
You're in my dreams
Strange powers
The Sun falls down like honey
The Moon pours down like mercury
The stars fall down like money
And you come back to me
And I can't sleep
'Cause you got strange powers
You're in my dreams
Strange powers
And I can't sleep
'Cause you got strange powers
You're in my dreams
Strange powers</20>





<21>QUICHE</21>

<22>me and my boy
We kick around
We kick around
We kick around
1 2 3 go
Me and my boy
We kick around (we kick around)
Me and my boy
We kick around (we kick around)
We kick around, we kick around
We put up lights, champagne and ice
We dress up like it's the last night of our lives
Put on a record
All the favourite songs we like
Then we turn on the TV and stay up for half the night
We got balloons
We got anything we like
Then we lie on the floor and have the best night of our lives
Me and my boy
We kick around (we kick around)
Me and my boy we kick around (we kick around)
Me and my boy we kick around (we kick around)
Me and my boy we kick around
And we jump and we dance and we slide
And we kiss and we love and we stay inside
When we're together there's nothing like it all
We don't care what you think
We don't care what you think or what you think at all</22>



<23>
I want you like the pills behind the counter that hit
I want you so bad, my fingers shook with it
And we could have all of the money in the world
But all the money in the world couldn't buy us this
You're somebody else lamma ehna fil beyt
Fahem allay? mish bittamly maahum the same
Ma andesh maane', mumkin yekoun sir
El hagat elly bina'milha de they don't know, but we will

I change my hair, you change your clothes
My cheap tattoos, they feel like home
Kiss me 'til my lips are bruised
I promise no one's watching you

Not just a body, you're somebody
What a body, you're somebody to me
Not just a body, you're somebody
What a body, want your body on me
Not just a body, you're somebody
What a body, you're somebody to me
Not just a body, you're somebody
What a body, want your body on me

It's ironic and it might take you by surprise
My boxer shorts are superdry
Benistakhabba, benekttib, bas mabsouteen
I want you like the gum between my teeth

I change my hair, you change your clothes
My cheap tattoos, they feel like home
Kiss me 'til my lips are bruised
I promise no one's watching you

Not just a body, you're somebody
What a body, you're somebody to me
Not just a body, you're somebody
What a body, want your body on me
Not just a body, you're somebody
What a body, you're somebody to me
Not just a body, you're somebody
What a body, want your body on me

People talk, but I don't care
So can you run your fingers through my hair?
People talk, I know they do
Let's let them talk about me and you
Not a body, not a body (Not a body)
You're somebody to me
(Not just a body, you're somebody)
Not a body, not a body
You're somebody to me
Not just a body, you're somebody
What a body, you're somebody to me
Not just a body, you're somebody
What a body, want your body on me</23>

whoops this section is really repetitive... more oh I'm feeling for you but it's really scary

<24>Come in here my love
There's a star up above
And it's always reminding me how
How I'm no wiser
So I'll stay here for you
With a little paranoia
It's only love if you fall
If it's hitting harder
And then one day I'll wonder if you still think of me
And I know it sounds trite
But you made impossible possible sometimes

Felling all, all that emotion
Feeling all the chemicals
Feeling all, all the commotion
Feeling all the chemicals

Come in here my love
Take me farther
Cause it's always reminding me how
How it hits harder
So I'll stay here for you
With a little paranoia
Its only love if you fall and I'm no wiser
And then one day I'll find you underneath my skin
And I know it sounds trite
But you made impossible possible sometimes

Felling all, all that emotion
Feeling all the chemicals
Feeling all, all the commotion
Feeling all the chemicals

No offence, it's not what I meant
Settle the rest before bed
Lighted a candle for it
But it burned me

Felling all all that emotion
Feeling all the chemicals
Feeling all all the commotion
Feeling all the chemicals

<25>Something scares me bout the way you love so easefully
You got me thinking I might complicate the simple things
My love is messy full of truth and earth and solar trash

Take my messy, water me so that my love can grow

Sometimes I'm so damn nonchalant
That I can't get to what I want
That quintessential cool girl in a bar
Sometimes I wanna taste your skin
But I'm not one for giving in
'Cause that's way too embarrassing, my God

Oh, I want you so bad
Can't find my white flag
I must've left it in the back of the city cab
I'm not calling you back
'Cause then you'll know that
'Cause then you'll know me

I don't like to talk a lot
I don't want the shoe to drop
'Cause then you'll know me
Baby, I'm a tommy gun

When you close your eyes and you go to sleep
And it's down to the sound of a heartbeat
I can hear the things that you're dreaming about
When you open up your heart and the truth comes out

You tell me that you want me
You tell me that you need me
You tell me that you love me
And I know that I'm right
'Cause I hear it in the night

I HOPE YOU COULD HEAR IT BEFORE I SAID IT.

I hear the secrets that you keep
When you're talking in your sleep
I hear the secrets that you keep
When you're talking in your sleep

Mon, Apr 13, 2026 6:13 PM

I love them
I absolutely do

When I hold you in my arms at night
Don't you know you're sleeping in the spotlight
And all your dreams that you keep inside
You're telling me the secrets that you just can't hide

You tell me that you want me
You tell me that you need me
You tell me that you love me
And I know that I'm right
'Cause I hear it in the night

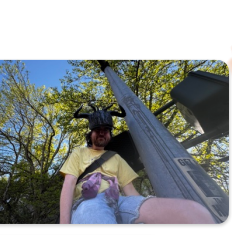
Slugs of love in search of freedom
Life-tasting, these true believers



Endless ecstasy, feel it all
Endless cravin', sluggish ball

(Oh-woah, woah) We're dancing on the wall
(So hot, hot) We're looking for truth
(Oh-woah, woah) We're dancing on the moon
(So hot, hot) We're looking for, we're looking for

Sleep talker, sleepwalkin'
Taste-making little slug having a feast at the table like hmm

Slug of lust, a gliding dreamer
Yearning twisted, true deceiver

Endless ecstasy, I feel it all
Endless craving, a sluggish ball

(Oh-woah, woah) We're dancing on the wall
(So hot, hot) We're looking for truth
(Oh-woah, woah) Mm, ah, we're dancing on the moon
(So hot, hot)

Slugs of love, life-tastin'
Endless ecstasy, cravin'
Sluggish and lazy
Have a feast at the table, mm

(Oh-woah) Slugs of love, slugs of love
(Oh-woah) Slugs of love, slugs of love
(Oh-woah) Slugs of love, slugs of love
Slugs of love, slugs of love

SLUGS → SNAILS → WORMS?

Oh, you feel it forever (Slugs of love)
You tastin' a fever (Slugs of love)
Oh, you're cravin' (Slugs of love)
Deceives slugs of love (Slugs of love)
Breathin' (Slugs of love)
I'm sleep talkin', sleepwalkin' (Slugs of love)
Have a feast at the table (Slugs of love)
Slimy dreamer (Slugs of love)
Thinker, think forever (Slugs of love)
I'm cravin', hm, slugs of love (Slugs of love)
Slugs of love (Slugs of love)

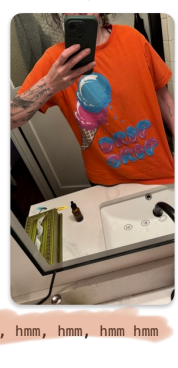
<29>Here we are in a warm embrace
As cozy as a kitten by a fireplace
The lights are dim with a mellow glow
The musics playin' soft 'n low

THIS ONES FOR ELVIS. EVEN THOUGH US NOT ELVIS



And everything's rosy, oh yea
Comfy 'n cozy, uh huh
Everything's rosy, yea, yea
Comfy 'n cozy, hmm, hmm, hmm

Let's forget the whole world outside
Nothing else matters just you and I
Let's unhook the old telephone
'Cause we just want to be left alone

With everything's rosy, yea, yea, yea
Comfy 'n cozy, uh huh, huh
Everything's rosy, yea, yea, yea
Comfy 'n cozy, hmm, hmm, hmm, hmm

Wanna put another log on the fireplace
But I can't stand leavin' your embrace, hmm, hmm, hmm hmm

Baby now, everything's rosy, oh yeah
Comfy 'n cozy, uh huh
Everything's rosy, oh yeah
Comfy 'n cozy, uh huh
Everything's rosy, yea, yea
Comfy 'n cozy</29>

<30>I found a place for the towns
A magic world and my baby songs
A soft embrace, like said in the maze
Wondrous place
What a spot in the stone
To cuddle up and stay nice and warm
Ooh, if I'm hot, I'm in up in these arms
Wondrous place
And I'm glowing
When I'm anywhere else, but I don't care
Everything's right when she holds me tight
A tender hands on my face
I'm in Heaven in her embrace
I wanna stay and never go away
Wondrous place
Mm, mm
Mmm
And I'm glowing
When I'm anywhere else but I don't care
Everything's right when she holds me tight
A tender hands on my face
I'm in Heaven in her embrace
I wanna stay and never go away
Wondrous place

Home
Is where I want to be
Pick me up, and turn me 'round
I feel numb
Born with a weak heart
I guess I must be having fun
The less we say about it, the better
We'll make it up as we go along
Feet on the ground, head in the sky
It's okay, I know nothing's wrong, nothing

Hi-yeah
I got plenty of time
Hi-yeah
You've got light in your eyes
And you're standing here beside me
I love the passing of time
Never for money, always for love
Cover up, say goodnight
Say goodnight

ok THAT'S A LIE

Home
Is where I want to be
But I guess I'm already there
I come home
She lifted up her wings
I guess that this must be the place
I can't tell one from another
Did I find you or you find me?
There was a time, before we were born
If someone asks, this is where I'll be, where I'll be

I THINK IT'S FUNNY WE'LL NEVER AGREE ON WHO PURSUED WHOM

Hi-yeah
We drift in and out
Hi-yeah
Sing into my mouth
Out of all those kinds of people
You got a face with a view
I'm just an animal looking for a home and
Share the same space for a minute or two

And you'll love me 'til my heart stops
Love me 'til I'm dead
Eyes that light up, eyes look through you
Cover up the blank spots, hit me on the head, I go
Ooo-o-o-ooh!</31>

<32>
Her hair is Harlow gold
Her lips sweet surprise
Her hands are never cold
She's got Bette Davis eyes

She'll turn her music on you
You won't have to think twice
She's pure as New York snow
She got Bette Davis eyes

And she'll tease you
She'll unease you
All the better just to please you
She's precocious and she knows just
What it takes to make a pro blush
She got Greta Garbo standoff sighs
She's got Bette Davis eyes

THIS IS FOR THE SCARLETTES. AND BECAUSE YOU LIKE 80S SONGS. EVEN THOUGH I DON'T THINK THIS IS PARTICULARLY AN 80S STYLE YOU LIKE. ALSO, THIS IS OBVIOUSLY A COVER. BUT, I MISS WATCHING MOVIES W/ YOU

She'll let you take her home
It whets her appetite
She'll lay you on her throne
She got Bette Davis eyes

She'll take a tumble on you
Roll you like you were dice
Until you come up blue
She's got Bette Davis eyes

She'll expose you
When she snows you
Off your feet with the crumbs she throws you
She's ferocious and she knows just
What it takes to make a pro blush
All the boys think she's a spy
She's got Bette Davis eyes

And she'll tease you
She'll unease you
All the better just to please you
She's precocious and she knows just
What it takes to make a pro blush
All the boys think she's a spy
She's got Bette Davis eyes

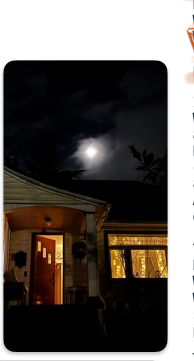
THAT'S YOU

She'll tease you
She'll unease you
Just to please ya
She'll expose you
When she snows you
She knows ya
She's got Bette Davis eyes</32>

<33>I don't wanna see you smile
I want you in the morning
Before you go performing

Tell me something I don't know and lead me to the place where no one ever goes
Let me go under your skin, and let me find the demons that drive those heavenly limbs

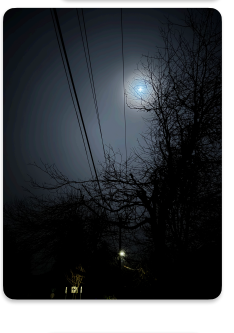
You know you're beautiful
But that ain't half the gold treasure in your soul
What you got cause I want it all
With your fingers in my mouth I fail to see your faults
so please don't let me fall,
please don't let me fall



I think we'd survive in the wild
We would eat plants and roots
and dream about electric fans
But baby could you kill a man,
could you look in his eyes
and feel the fire drain out of his hands
And baby do you think about the past,
do you wonder if every stupid little thing has led us to this

You know you're beautiful
But that ain't half the gold treasure in your soul
What you got cause I want it all
With your fingers in my mouth I fail to see your faults
so please don't let me fall,
please don't let me fall</33>

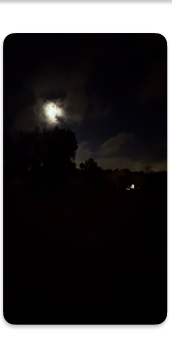
<34>
Under blue moon, I saw you
So soon, you'll take me
Up in your arms, too late to beg you
Or cancel it, though I know it must be
The killing time
Unwillingly mine

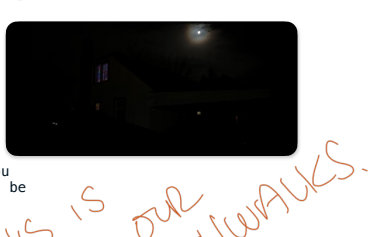


Fate
Up against your will
Through the thick and thin
He will wait until
You give yourself to him

STILL HAVE THAT RECORDING OF YOU.

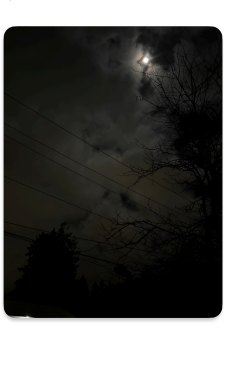
In starlit nights, I saw you
So cruelly you kissed me
Your lips a magic world
Your sky all hung with jewels
The killing moon
Will come too soon



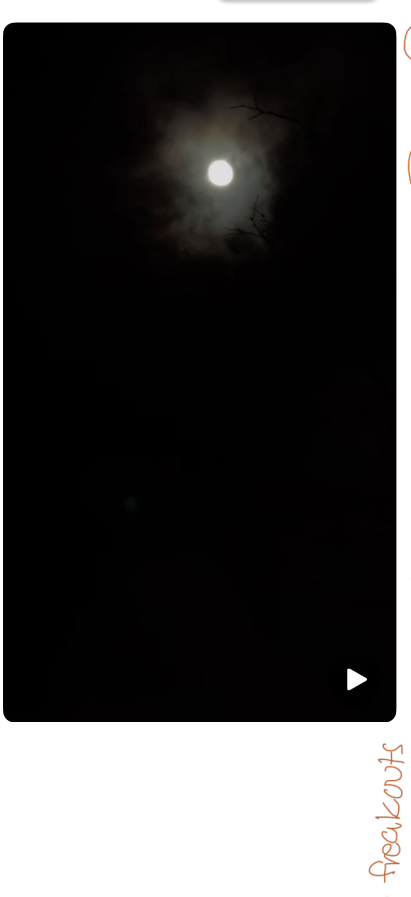


Fate
Up against your will
Through the thick and thin
He will wait until
You give yourself to him

THIS IS ALL OUR MOONWALKS.



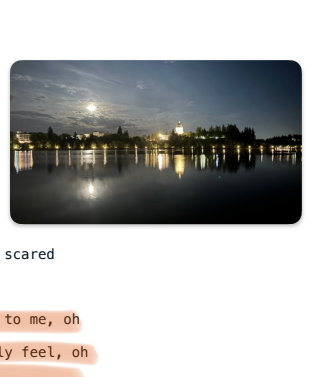
Under blue moon, I saw you
So soon, you'll take me
Up in your arms, too late to beg you
Or cancel it, though I know it must be
The killing time
Unwillingly mine



Fate
Up against your will
Through the thick and thin
He will wait until
You give yourself to him
Fate
Up against your will
Through the thick and thin
He will wait until
You give yourself to him

Fate
Up against your will
Through the thick and thin
He will wait until
You give yourself to him

Fate
Up against your will
Through the thick and thin
He will wait until
You give yourself to him
Fate
Up against your will
Through the thick and thin
He will wait until
You give yourself to him</34>



<35>They say, "Keep your friends close"
But you're closer, I love when you're here
I'm so far away sometimes, I'm distant, yeah
You might help me, intimacy, I'll admit, I'm scared
Maybe, maybe you can reach me, yeah

Maybe you're my enemy
Now I've finally let you come a little close to me, oh
Maybe you're my enemy
You're the only one who knows the way I really feel, oh
Now it's really clear to me
You could do a little damage, you could cut me deeper
Maybe you're my enemy
Baby, you're my enemy, yeah

Suddenly, you're in my bedroom under my sheets every night
Suddenly, I lose my fear, it feels good, yeah
I feel guilty, I feel nervous, I feel certain now
Maybe, maybe you can reach me, yeah

Maybe you're my enemy
Now I've finally let you come a little close to me, oh
Maybe you're my enemy
You're the only one who knows the way I really feel, oh
Now it's really clear to me
You could do a little damage, you could cut me deeper
Maybe you're my enemy
Baby, you're my enemy, yeah

Oh, yeah
Yeah, oh
Maybe you're my enemy
Baby, you're my enemy, yeah

So calm at the surface
I'm scared of nothin'
Underneath, I'm nervous
Can you reach me?
So calm at the surface
Told you I'm scared of nothin'
Underneath, I'm nervous, yeah
Can you reach me?

I think a tough journey to be on
Whilst you're around a lot of people
I feel like I'm learning that about myself
And I don't fully really understand it yet
It hurts here, it like hurts here

I DON'T LIKE THE SPOKEN PART

Maybe you're my enemy
Now I've finally let you come a little close to me, oh
Maybe you're my enemy
You're the only one who knows the way I really feel, oh
Now it's really clear to me
You could do a little damage, you could cut me deeper
Maybe you're my enemy
Baby, you're my enemy, yeah
Can you reach me?
Maybe you're my enemy
Can you reach me?
Baby, you're my enemy, yeah
Can you reach me?
Baby, you're my enemy, yeah
Can you reach me?

I seem to think that I'm a really bad person</35>

THIS ONE REPRESENTS ALL MY "HOW CAN I MEAN ANYTHING TO YOU" FREAKOUTS

<36>
Begging isn't easy
It kills your self-esteem
Makes you feel dependent
It makes you feel mean

But subtlety is useless
In breaking down a wall
And subtlety is toothless
You'd rather see me crawl

So if it takes a flashy display
To make you warm up, ok

Because you're so important to me
So important to me
So important to me
Right now

This discrimination
Is cruel and inhumane
If I had any pride left
I'd say you were insane

If only you would love me
Or just be less intense
It isn't that I'm ugly
It isn't that I'm dense

But if it takes a cheap, tawdry scene
To make you see what I mean

THIS IS YOU BEING LIKE WHAT ARE YOU TALKING ABOUT WE'VE SPENT ALMOST EVERY WEEK TOGETHER FOR THE PAST YEAR, OF COURSE YOU MATTER TO ME. AND I'M LIKE ... OH, RIGHT.

Because you're so important to me
So important to me
So important to me
Right now

Because you're so important to me
So important to me
So important to me
Right now

But if it takes a cheap, tawdry scene
To make you see what I mean
Because you're so important to me
So important to me
So important to me
Right now

So important to me
So important to me
So important to me
Right now, right now</36>

<37>Here and now, the time floats by
Don't you know our strings are tied?
Bound by lifelines
See them through crossed eyes

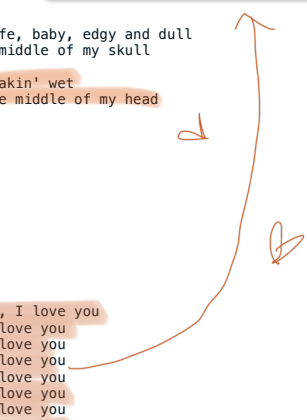
Here and now, the time floats by
Is it real or in your eyes?
Eternal lights wait
Consciousness illuminates

IT'S OK IF THERE'S A MILLION TIMELINES. BECAUSE THERE'S STILL THIS ONE.

Close your eyes, let time float by
What will come can wait tonight
Supernovic senses seem
Tied to you and tied to me

Here and now, the time floats by
Don't you know our strings are tied?
Here and now, the time floats by
Don't you know our strings are tied?</37>

<38>
Hey, little girl, is your daddy home?
Did he go away and leave you all alone?
I got a bad desire
Oh, oh, oh, I'm on fire



Tell me now, baby, is he good to you?
And can he do to you the things that I do?
Oh no, I can take you higher
Oh, oh, oh, I'm on fire

Sometimes it's like someone took a knife, baby, edgy and dull
And cut a six-inch valley through the middle of my skull

At night, I wake up with the sheets soakin' wet
And a freight train runnin' through the middle of my head
Only you can cool my desire
Oh, oh, oh, I'm on fire
Oh, oh, oh, I'm on fire
Oh, oh, oh, I'm on fire

Ooh-ooh, ooh
Ooh-ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh
Ooh, ooh, ooh, ooh-ooh
Ooh-ooh-ooh, ooh-ooh</38>

<39>I love you, I love you, I love you, I love you

I love you, I love you, I love you, I love you

~~I only just met you before~~
~~But I can't understand, you don't want me more~~
You maybe think I'm too smart and weird
But that should only make you want to hear that

I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you

You make me feel really unsure
But that should only make you feel secure
Although we've only known each other a bit
Already I can't sleep at night and I feel like shit, that's right

Young night feels right
With your heart wide open just like a child
Almost keen to pain
You wear a suit
To the beach and I'll be running in black
Through the waves with you
Understand
There's a danger to pleasure in reflections that I
Reflect back to you
Take my hand and my world into your own
Just as I am melting into you

Lately I've been dreaming
Every day's a game
Everyone I meet is a hero
Lately I've been dreaming
That the world is good
Life is just so good with you

Sometimes the tides
Turn the darkest shades the hues of perfect blue
Let me swim until I'm due
Take my hand and my world into your own
Just as I am melting into you

Lately I've been dreaming
Every day's a game
Everyone I meet is a hero
Lately I've been dreaming
That the world is good
Life is just so good with you

Life is just so good
Life is just so good with you
Life is just so good
Life is just so good with you

Understand
There's a danger to pleasure in reflections that I
Reflect back to you
Take my hand and my world into your own
Just as I am melting into you

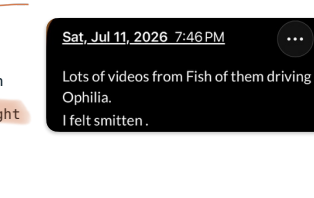
<41> heard you calling
On the megaphone
You wanna see me all alone
As legend has it you
Are quite the pyro
You light the match to watch it blow

And if you'd never come for me
I might've drowned in the melancholy
I swore my loyalty to me, myself and I
Right before you lit my sky up

IT'S YOUR BIRTHDAY, BUT IT'S MY PLAYLIST AND IN MY VERSION YOU PURSUED ME ✗

All that time
I sat alone in my tower
You were just honing your powers
Now I can see it all (see it all)
Late one night
You dug me out of my grave and
Saved my heart from the fate of
Ophelia

Keep it one hundred
On the land, the sea, the sky
Pledge allegiance to your hands
Your team, your vibes
Don't care where the hell you been
'Cause now you're mine
It's 'bout to be the sleepless night
You've been dreaming of
The fate of Ophelia



Sat, Jul 11, 2026 7:46 PM

Lots of videos from Fish of them driving to Ophilia.
I felt smitten.

The eldest daughter of a nobleman
Ophelia lived in fantasy
But love was a cold bed full of scorpions
The venom stole her sanity
And if you'd never come for me
I might've lingered in purgatory
You wrap around me like a chain, a crown, a vine
Pulling me into the fire

All that time
I sat alone in my tower
You were just honing your powers
Now I can see it all (see it all)
Late one night
You dug me out of my grave and
Saved my heart from the fate of
Ophelia

Keep it one hundred
On the land, the sea, the sky
Pledge allegiance to your hands
Your team, your vibes
Don't care where the hell you been
'Cause now you're mine
It's 'bout to be the sleepless night
You've been dreaming of
The fate of Ophelia

'Tis locked inside my memory
And only you possess the key
No longer drowning and deceived
All because you came for me
Locked inside my memory
And only you possess the key
No longer drowning and deceived
All because you came for me

All that time
I sat alone in my tower
You were just honing your powers
Now I can see it all (I can see it all)
Late one night
You dug me out of my grave and
Saved my heart from the fate of
Ophelia
K
eep it one hundred
On the land, the sea, the sky
Pledge allegiance to your hands
Your team, your vibes
Don't care where the hell you been
'Cause now you're mine
It's 'bout to be the sleepless night
You've been dreaming of
The fate of Ophelia
You saved my heart from the fate of
Ophelia</41>
